### NOTES:

- The Funding Opportunity Announcement (FOA), application guide, and NIH Guide notices are the official documents for defining application requirements. This resource complements, not replaces, those documents.
- NIH application packages include a subset of the forms included in this resource. You only need to complete the forms provided to you with a specific FOA.
- The actual display of the forms depends on your submission method (ASSIST, system-to-system solution, Workspace). The same form fields and guidance apply regardless of submission method, even if the display is slightly different.
- This resource is for FORMS-E application packages, see [Do I Have the Right Forms for My Application?](#)
- Registration in multiple systems is needed prior to submission, see [Get Registered!](#) Can take 6 weeks – start early!
- Don’t forget to periodically check the Related Notices section of the FOA for any updates to instructions or policies since the opportunity was posted.
- The blue annotations throughout this resource represent tips, processing notes and eRA system business rule checks (i.e., validations).
