### GENERAL INFORMATION

1. This form provides a standard format for the offeror to submit a summary of estimated costs (and attached supporting information suitable for detailed review and analysis.)

2. Offerors should use indirect rates consistent with their own accounting system, even if different from the rate categories shown on page 1 of this Appendix.

3. The Contracting Officer may request additional supporting information when needed. The offeror may be required to submit a Certificate of Current Cost or Pricing Data prior to the award of a contract.

4. The Government has the right to examine the books, records, documents, and other supporting data to permit adequate verification and evaluation of cost or pricing data submitted, along with the computations and projections used by the offeror. This right may be exercised in connection with any negotiations prior to contract award.
