Table 8B. Program Outcomes: Short-Term

Rationale
For renewal applications, this table provides information about the use of short-term training positions (e.g., distribution by faculty member, year in program, years of support per short-term trainee). The data also permit an evaluation of the effectiveness of the supported training program in achieving the training objectives of the prior award period(s) for up to 15 years.

Instructions
If applicable, list sequentially, by year of appointment, all students who have been supported by the grant for short-term research training experiences in the last 15 years. If the grant has been active for less than 15 years, list all trainees to date.

For each trainee, provide:

1. **Trainee.** Provide the trainee name in the format Last Name, First Name and Middle Initial.
2. **Category of Trainee.** Provide the trainee category (e.g., Medical Student, Dental Student, Veterinary Student, Other Health Professional Student, or Quantitative Sciences Student)
3. **Faculty Member.** In the format of Last Name, First Name and Middle Initial., provide up to two primary research training faculty acting as mentors (these will be training grant faculty).
4. **Start Date.** Provide the calendar month and year of appointment as a short-term trainee on this grant, in the format MM/YYYY.
5. **Topic of Research Project.** Provide the topic of the research project.
6. **Subsequent Training or Related Award/Role/Year.** If applicable, provide any subsequent NIH and other HHS training, fellowship, research education, or career development support. List the awarding component, activity, role, and year (e.g., HD K23/PI/2013).
