- AND MORE!

Except for a visit to NIH, there is not another opportunity like the NIH Regional Seminars!

This seminar provides an exciting opportunity to interact with hundreds of your peers, while spending 2 days learning the latest NIH grants policy and process information first-hand.

**Who should attend?** If you or someone you work with is looking for a comprehensive program that provides valuable information about the NIH Grants Process, this seminar is for you.

**Where will this take place?** All sessions will be held in the conference center of the Renaissance Baltimore Harborplace Hotel in Baltimore, MD. This 2-day seminar occurs June 25-27, 2014.

**What are the registration details?**

- **Cost?** Rates range from \$275-350 depending on proximity to event dates.
- **Discount for Students & Trainees?** Take advantage of a \$50 price break.
- **What does it cover?** 2-day seminar; materials; access to presentations; and time with NIH experts (priceless)! **This year's registration fee does not include food and beverages.**

**Optional eRA Workshops:** On Wednesday, June 25, 2014, the NIH is offering an optional electronic Research Administration (eRA) workshop. A full day is planned for only \$75, covering preaward and postaward topics related to eSubmission and the eRA Commons. This workshop is designed for those new to the electronic grants process! Space will fill quickly so register early!

**How do I register?** The latest information is available at <http://grants.nih.gov/grants/regionalseminars/2014/>
