

To Whomever is involved  
in this disgusting project.

I strongly object to my  
tax dollars being spent  
on research involving  
creating poor human  
& part animal chimera  
It is unethical. Please  
keep the current  
moratorium in  
place.

What is wrong  
with you people  
are you descendants  
of Adolf Hitler  
(Human) → Fromed Camera
