> Have you completely lost your minds?! Haven't we already cursed our Lord and our Maker enough with our sinful lives! You now want to take us over the edge of the abyss with the creation of part-human/part animals chimeras! Weren't you just screaming that you lacked the funds to fight the zika virus? And yet, you have sufficient funds to do this? This is utter madness! Stop now! Just because you "can" does NOT mean you "should!" You should NOT proceed once step more with this idea. Stop now! Now! And then get down on your knees and beg for His forgiveness for your audacity in even contemplating such action! NOW!!!
