

September 2, 2016

National Institute of Health
6705 Rockledge Drive -Suite 750
Bethesda , MD 20892

I am writing in protest to developing research combining human stem cells with those of animals.

This research has the potential development of a part human/part animal creature. I believe this is morally wrong and, therefore, do not want my taxpayer dollars to be used for this purpose in any way.

Sincerely,

A handwritten signature in cursive script that reads "Mary C. Tanner".
